

COVER OF THESIS/FINAL PROJECT

TEMPLATE DESIGN GUIDELINES

Page. 1

Please follow the instructions to maintain a consistent representation of final projects and theses presented at RU.

Step 1.

Please choose a pdf document with **your school's name** and open it in Adobe Acrobat.

Step 2.

Fill out sections 1 to 6 according to the instructions below. Please note that **on page 2** there is a list of all schools and degrees. These should be copied and pasted into section number 1 of the template.

The diagram shows a cover template with the following elements and callouts:

- Callout 1:** Degree name
- Callout 2:** TITLE OF THESIS. IT SHOULD BE IN TWO LINES IF LONG. Secondary title
- Callout 3:** Author, Second author, January 2016
- Callout 4:** School
- Callout 5:** TITLE OF THESIS (on the spine)
- Callout 6:** Month and year of graduation (on the spine)

The logo of Háskólinn í Reykjavík (Reykjavík University) is centered at the top. The bottom of the cover features a dark grey bar with the text: TÆKNI- OG VERKFRÆÐIÐEILD / SCHOOL OF SCIENCE AND ENGINEERING.

Section

1. Place degree name here. This should be copied and pasted from page 2.
2. Here is the title of the thesis/final project. If the title is only one line, place it **in the lower line.**
3. Name of author/s in alphabetical order.
4. Name of school.
5. Title of thesis/final project on the spine.
6. Month and year of graduation is placed here.
Example: **January 2016** or **June 2016.**

This front page can be printed by all major printing services and printing companies.

It can however **not be printed on an average household printer.**

The paper should be: matt, colour: white, thickness: 300 gr.

School of Science and Engineering

Name of degree (to be placed in **Section 1**)

Diploma in Construction Technology
Diploma in Electrical Technology
Diploma in Mechanical Technology
BSc in Civil Engineering
BSc in Electrical Engineering
BSc in Mechanical and Energy Engineering
BSc in Constructing Architecture
BSc in Sport Science
MEd in Sport and Health Education
MSc in Exercise Science and Coaching
MSc in Civil Engineering - Structural Design
MSc in Civil Engineering - Concrete Technology
MSc in Financial Engineering
MSc in Biomedical Engineering
MSc in Electrical Engineering
MSc in Engineering Management
MSc in Mechanical Engineering
MSc in Sustainable Energy – Iceland School of Energy
MSc in Sustainable Energy Engineering – Iceland School of Energy
MPM - Master of Project Management

School of Law

Name of degree (to be placed in **Section 1**)

BA in Law
ML in Law

School of Business

Name of degree (to be placed in **Section 1**)

BSc in Economics and Finance
BSc in Economics and Management
BSc in Business Administration
BSc in Business Administration with a minor in Law
BSc in Business Administration with a minor in Computer Science
BSc in Psychology
MSc in Clinical Psychology
MSc in International Business and Marketing
MSc in Corporate Finance
MSc in Human Resource Management and Organizational Psychology
MSc in Marketing
MSc in Accounting and Auditing
MSc in Management Accounting and Business Intelligence
MSc in Information Management
MSc in Business Administration
MBA final project
Master level degree in Information Management

School of Computer Science

Name of degree (to be placed in **Section 1**)

Diploma in System Administration
Diploma in Applied Computing
Diploma in Applied Computing in cooperation with the University of Akureyri
BSc in Computer Science
BSc in Computer Science – research based
BSc in Discrete Mathematics and Computer Science
BSc in Software Engineering
BSc in Computer Science with a minor in Business Administration
MSc in Computer Science
MSc in Software Engineering
MSc in Language Technology
